FRONT END DEVELOPER

Tel-Aviv, Israel Age: 28 years old

WORK EXPERIENCE

CONTACTS Elpisor Ltd, Rehovot, Israel

Front End Developer

Migrated layout to responsive BEM based model

from legacy adaptive, use of code minification

m

methods, css sprites, as well as the optimization of

all images, which decreased time to support all

/in/christina-lorman- possible device resolutions on avg by 20%.

/
